10 ft RP-SMA to RP-SMA Wireless Antenna Adapter Cable - M/F

StarTech ID: RPSMA10MF

This 10ft RP-SMA to RP-SMA adapter Cable (M/F) lets you extend wireless antenna range without compromising on performance, by extending the cable length of any antenna or wireless device that uses a RP-SMA connector.

The RP-SMA/RP-SMA adapter features high quality construction that ensures flexibility without reducing performance, allowing wireless antenna installation anywhere it's needed.

Applications

- Conversion adapter cable for Wireless Devices with RP-SMA antenna connectors
- Designed to work with wireless networking devices using RP-SMA connectors

Features

- Low loss at 2.4 GHz frequency range
- Optimized for use with StarTech.com’s networking devices and wireless antennas
